

Calling All BGU Alumni: Join the Alumni Ambassador Team and Leave Your Legacy

Your influence can expand across the world like ripples in a pond. BGU alumni have had profound impact on the world around us. Help us create something to increase that impact. We invite you join a team to create the BGU Alumni Ambassador Program.

Bakke Graduate University has always been more than just an educational institution. It's a dynamic community of changemakers and thought leaders who share a common vision - to transform cities and nations for the better. The Alumni Ambassador Program seeks to harness the collective power of our alumni to further this mission.

When you become part of the team, you'll create ways for alumni to:

- Promote BGU Programs: Share your BGU experience and insights to help recruit future students who can benefit from our transformative programs.
- Extend Outreach: Act as a bridge between BGU and the communities you are a part of, facilitating deeper engagement and partnership opportunities.
- Participate in City Immersion Programs: Provide valuable insights and connections for BGU students participating in city immersion programs, making their experiences richer and more impactful.
- Celebrate Graduations: Join us during BGU graduation ceremonies, inspiring the next generation of leaders as they embark on their journeys.

When you join this team to help set up the Alumni Ambassador program, you'll get to:

- Define the Mission and Responsibilities: Work together to craft a compelling and impactful mission statement and set of responsibilities for Alumni Ambassadors.
- Create Tasks and Responsibilities: Develop specific tasks and responsibilities for supporting recruiting, outreach, city immersion programs, and graduation.
- Recruit and Coordinate: Identify and engage alumni who are passionate about these initiatives, creating a network of enthusiastic supporters.
- Promote the Program: Collaborate to create a dynamic campaign that will raise awareness and generate excitement about the Alumni Ambassador Program.
- Coordinate with BGU departments: Establish procedures with the BGU staff and faculty who organize the major events to ensure smooth engagement with alumni.

By volunteering for this team, you have an opportunity to leave a lasting legacy at BGU. Your unique perspective and experiences can help shape the future of our institution, enabling us to reach new heights of impact and influence.

As alumni, you are the living embodiment of BGU's mission, and your involvement in the Alumni Ambassador Program can help us extend our reach and influence far beyond the walls of our campus. Together, we can continue to transform cities, nations, and lives.

Conclusion

We invite you to step forward and become an integral part of the BGU Alumni Ambassador Program. Your contributions will not only strengthen the BGU community but also empower current and future students to make a meaningful difference in the world.
